Amazing Aurora Tour

All included **1190 NOK/ person**

Don't pay too much to realize your dreams. Join our Amazing Aurora Tour and maximize your chance to experience the magical Aurora Borealis. We take you with mini vans which give space for 8 passengers each. We take you away from the lights of the city to the best locations to give you a more proper Aurora experience in a warmer atmosphere. We cover a 300 km wide area in the region. With us you are away from the crowded big groups. As soon as we found the best location, we will set up a bonfire to keep you warm and serve fresh grilled meal sausages/ fish burgers/vegetarian (on request), While we wait to seeing the aurora, we will explain to you the origin of the Aurora Borealis and answer other questions you might have about the Aurora and the arctic in general. We will try our best to give you the optimal aurora borealis experience.

Arctic Landscape Tour

890 NOK/ person

Join our Amazing Arctic Landscape Tour and experience the arctic nature from the closest distance. On this tour we will take you to the most beautiful view points and fjords, mountains, hills, frozen lakes and small islands. We will drive you through the natural habitat of moose, reindeers, sea eagles and many other arctic animals where you possibly see these animals. We usually see seals and who knows that with a little bit of luck we even spot whales. The nature and the landscape on this tour are indescribable and have to be experienced. At the end of the tour we will serve you hot chocolate with cake/cookies. Don't miss the chance of getting this great and memorable experience with you.
